Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

I have written Tom and told him we will not be able to play here Thursday, Sept. 5th as scheduled, as the Bears are home. I had made a mistake in the date. We also have a League game that was not played with the Elites and I told him we might put on a night double-header somewhere. I see you have no game scheduled in Phila, maybe we could play it there. Let me know if you can work out anything, and if you contact Tom find out if it is agreeable with him.

Very truly yours,
